A Laminated glass

B Tempered glass

1 Interfaces in order to remove the roof

2 Door lock

3 Door hinge

5. Stored energy / liquids / gases / solids

		48V
		64l
		580g

6. In the event of a fire

There is still a danger of injury even after a fire!

Use personal protective equipment identical to that for conventional vehicle fires.

7. In water

Vehicle in and under water

After the vehicle has been recovered from the water, disconnect the low-voltage battery (negative terminal).

8. Towing / transportation / storage

Only use the towing eye supplied in the vehicle and screw in firmly to the limit position.

Only use the towing eye for towing away on a paved roadway. Avoid transverse loads on the towing eye. For example, do not raise the vehicle by the towing eye.

9. Important additional information

This document shows all national-market versions and the maximum equipment of the vehicle.
