SUV, from 2025
5-door, 5-seater

48-volt Li-ion

3.

	Airbag		Stored gas inflator		Belt tensioner		SRS control unit		Fuel tank
	Low-voltage battery		Gas strut / Preloaded spring		High strength zones		Zone requiring special attention		

Volkswagen T-Roc

SUV, from 2025

5-door, 5-seater

1. Identification / recognition

"T-Roc" lettering

"eTSI" lettering

2. Immobilisation / stabilisation / lifting

Immobilising the vehicle

- 1 Move selector lever to "P" position
- 2 Operate the electronic parking brake in the centre console
- 3 Secure the vehicle to prevent it from rolling away

Lifting points

Appropriate lifting points

3. Disable direct hazards / safety regulations

Switching off the ignition

Press the "Start-Stop" button on the centre console without pressing the brake pedal.

Remove vehicle key, key card and/or smart-phone app so that they are more than 5 m away from the vehicle if possible.

Disconnecting the 12-volt battery

In the engine compartment
Disconnect the negative battery terminal

The 12-volt vehicle electrical system voltage is used, among other things, for electrical seat adjustment.

After disconnecting the 12-volt vehicle electrical system voltage, the airbags are deactivated. Unignited airbags can be triggered by heat in the event of a fire!

Volkswagen T-Roc

SUV, from 2025

5-door, 5-seater

Disconnecting the 48-volt battery

In the event of an accident in which the airbag is triggered, the 48-volt vehicle electrical system is automatically deactivated immediately after airbag triggering is detected.

For all other cases, the 48-volt vehicle electrical system can be deactivated as follows:

- 1 Move the right seat all the way back.
- 2 Remove the battery cover in the footwell on the right side of the vehicle.
- 3 Disconnect the control cable and purple battery cables.

4. Access to the occupants

Glass types:

- 1 Laminated glass
- 2 Tempered glass

5. Stored energy / liquids / gases / solids

max. 50 l

12 V

48 V
Lithium-ion

6. In case of fire

Lithium-ion batteries can self-ignite or re-ignite after fire-fighting measures!
Wear appropriate personal protective equipment!

7. In case of submersion

After recovery, allow the water to drain and disconnect the battery/batteries (see section 3).
Wear appropriate personal protective equipment!

Volkswagen T-Roc

SUV, from 2025

5-door, 5-seater

8. Towing / transportation / storage

A vehicle that has been in an accident must not be towed on its drive axles.

9. Important additional information

Volkswagen Guideline for Rescue Services: www.volkswagen.de

10. Explanation of pictograms used

							
Flammable	Corrosive, skin irritant	Hazardous to human health	Environmental hazard	Fuel tank, petrol	Use water to extinguish the fire	Remove smart key	Unlock bonnet
							
Use thermal infrared camera	General warning sign
